## Final Bi-Monthly Payments due

If you have classes option # 2 as a payment option for your dancers class fees. The final bi-monthly payments are now due. Please contact the office if you have any questions regarding your account status.

## Recital Costumes have Arrived

April is all about costumes! Nearly every costume has arrived, with only a few set to arrive mid month! We have managed to source costumes through Canadian distributors which has greatly helped to avoid US tariffs, Exchange rates and shipping delays. Please make sure your accounts are up to date. We ask that all fees for classes, photo & video packages, and costume deposits & final dues are paid before we hand off costumes. Once we have all fees paid, families can receive their costumes. If you have any questions please do not hesitate to contact our office at (250) 384-3267. We are here to help!

## Costume Fittings and Adjustments

We are so fortunate to have our amazing seamstress, Miss Nancy, back to help with costumes. Please try on your costumes once you receive them! Some of them will need some fluffing and time out of their flat bags to take proper shape. Take this opportunity to ensure the costume fits, and if there are any other issues. If your new costumes need any adjustments, please call the the office to book an appointment with Nancy on Saturdays from 9:30-4:00 or Wednesday's from 4-6pm. We are very excited to see our dancers in their costumes! Please let us know if you have any questions about costume handouts, booking an appointment for adjustments, or anything else. We are happy to help!
